Encompass Messaging

KEEP YOUR BORROWERS, LOAN OFFICERS AND REALTORS UP TO DATE WITH AUTOMATED TEXTING!

MortgageTech has a Encompass Messaging Solution designed to keep the Borrower(s), Loan Officer, and Realtor in close communication throughout the loan process. Communicate by text or phone in any combination that suites your organization.

Solution Includes:

- Field or milestone triggers, making it easy to maintain
- All communications can be in English or Spanish
- Editable pre-configured templates to get you up and going quickly
- The ability to merge in information to personalize your messages as well as control them by channel
- Options to delay messages so the Loan Officer is sure to get the message prior to the Borrower or Realtor
- Phone messages can be delivered by a male or female voice
- Reporting Dashboards and Audit Trails of all messages sent
- RESPA, TCPA and GLBA Compliant

BUT WAIT... Because the system was developed by someone in the mortgage industry, features were built-in to increase your Loan Officer's efficiency by connecting them seamlessly to the borrower

Text: Send phone numbers to Loan Officers for one touch dialing.
